The pool has different packages and these fees are taken care of at the Front Gate during any open pool hours. **DO NOT PAY THESE TO WIND N SEA, YOU MUST PAY THE DESK**

3) USA SWIMMING MEMBERSHIP – Annual Fee - \$68 - Regardless of competitive level all swimmers must be a member of the National Organization called USA Swimming. It covers our insurance and is **MANDATORY FOR EVERY SWIMMER**. It also is required for competition. If you are just planning on swimming this summer there is a prorated membership but it will expire in August and you must renew then to be on the team. All Full Memberships must renew before January.

You must complete the form and bring your check to the San Diego-Imperial Swimming Office personally. They will also need your child's **ORIGINAL BIRTH CERTIFICATE (not a copy)** for Age verification.
